The D.F.s may be informed that there is no objection to the payment of rewards to Government officials in really deserving Cases.

The delimitation of powers to grant rewards, may be approved and may be made applicable to all rewards (to officials & non-officials) granted in connection with the fore operations. A periodical Statement of Rewards given in the District may be called for and scrutinised by the D.F.s in order to see that an undue proportion of the rewards to officials does not go to those whose ordinary duty it is to prevent & detect such offences.
